MAYSVILLE WEATHER.

What We May Expect For the Next Twenty-four Hours.

THE LEDGER'S WEATHER SIGNALS.

White streamer—FAIR;
Blue—RAIN or SNOW;
With Black ABOVE—TWO WARMER FROW.
If Black's BENEATH—COLDER 'TILL BE;
Unless Black's shown—no change we'll see.

The above forecasts are made for a period of thirty-six hours, ending at 8 o'clock to-morrow evening.

Mr. Basil D. Owens was somewhat better yesterday.

Keep cool and drink Soda Water at Chenoweth's Drugstore.

Prof. R. M. Shipp of Pineville will conduct the Mason County Teachers' Institute which begins here today.

The big T. T. Haydock Carriage Company assigned at Cincinnati, with assets of \$200,000 and liabilities of \$100,000.

A. G. Ashbury and James W. Linville, two of Robertson county's oldest citizens, are among the recent deaths announced there.

Adrian Jordan, an old soldier of Lewis county, died from the effects of a rattlesnake bite. His prejudice against whisky was so great that he would not drink it, even to save his life.

It is surprising the number of people who had despaired of getting Glasses until they tried P. J. Murphy the Jeweler's system of fitting the eyes, who now see as well as when they were young. No charge for Glasses unless they suit.

Dr. Alvin Duvall, son of Judge Alvin Duvall, was placed in Jail at Frankfort Saturday on a writ of lunacy sworn out several days ago. Trial was suspended at first on the statements of local physicians that they thought his ailment only temporary.

It is thought Major R. A. Hancock, present Deputy, will be appointed successor to the late Warden Nell of the Frankfort Penitentiary. Major Hancock was formerly in the Revenue Service, and has many friends in Maysville who will rejoice at his promotion.

MR. PATRICK MURPHY.

His Funeral at Washington Yesterday Largely Attended.

Mr. Patrick Murphy, whose sudden death occurred Friday night, was buried at Washington yesterday evening, more than a hundred vehicles being in the procession.

Everybody liked him, as he was kind, hospitable, generous, honest and abundant in wit.

His former home was at Washington for years, and everybody was his friend on account of his many good traits of character.

His wife and fatherless children have the sympathy of all who knew him.

DIED SATURDAY.

A Former Maysville Man Passed Away at His Home in Ohio.

Rev. Elisha Cowgill Smith, after a brief illness, died Saturday afternoon at his residence near Cleves, O.

He was 71 years old, and was born at Mayslick, this county.

Rev. Smith was a brother of Mr. Henry C. Smith, Principal of the First Ward Public School, and was for twenty-five years engaged in teaching in this city, he having taught the Fourth and Fifth Ward Schools.

For a number of years Rev. Smith has been a Preacher in the Ohio Conference, he being a member of the Cincinnati Conference at the time of his death.

The funeral took place this morning at Cleves.

RAISED THE NATIVES.

A Young Man Imagined He Was Being Robbed.

Police! Police! Police!

Come quick!

Help!

Police! Police! Police!

Such were the cries that startled the people on Third street near Limestone Saturday night.

In less time than it takes to tell it there was a crowd around the man who was doing the yelling large enough to have carried off a whole army.

Jack Peebles says he was sitting down and saying nothing, when a great big Negro hit him on the head and robbed him of \$7.

The officers could find no one who looked like he had \$7 on his person that belonged to Peebles, and consequently there have been no arrests up to this time.

SATURDAY'S GAME.

The Lexingtons Put It On Maysville In Great Shape.

Robert B. Buckler of Mt. Olivet, who was selected as Republican Elector for this District, has sent in his resignation, finding that as he holds the office of County Attorney he could not be Elector. His place will be filled by the State Central Committee.

Fourteen carloads of fine export cattle from Lincoln and Garrard counties passed through Richmond on a special train. Competent judges pronounced it the finest lot of cattle ever shipped from these counties for the English market. The average weight was from 1,600 to 1,700 pounds, and the price paid was from \$3.90 to \$4.35 per hundred.

Auditor Stone thinks he has made a find. Under his interpretation of a recent decision of Judge Barr in the Adams Express Company's case, about 3,500 corporations in the state must pay a franchise tax, not only for this year, but for every year since 1893, when the corporation law became effective. Herebefore only about 100 corporations have been required to pay a franchise tax.

Those who took the time and went to the trouble to go out and see the game at Lexington Saturday between the Maysville and Lexington Clubs were well repaid.

Our misfits put up a good game, but were just outclassed, both in the field and at the bat.

Henry Wadsworth pitched for Maysville, and held the heavy hitters of Lexington down to five hits, but he was wild and that accounts for the runs.

Kostal was on the Lexington slab, and the boys smashed him all over the field, but the hits were scattered and didn't amount to much.

Here's the game by innings:

	1	2	3	4	5	6	7	8	9
Lexington	0	0	0	2	0	2	1	—	6
Maysville	0	0	1	0	1	0	1	0	—

Hits—Lexington, 5; Maysville, 12.
Errors—Lexington, 1; Maysville, 3.
Batteries—Kostal and Freund; Wadsworth and Kellner.

Eleven hundred and ten people saw the Lexingtons defeat the Maysvilles in the banner game of the season at the Lexington Ball Park yesterday afternoon.

The game was a team battle from the time the first man took the bat until the last was out in the ninth inning.

This was the first game that has been played in Lexington on Sunday for a number of years, and there was some talk of arresting the players.

But here's how the last game came out:

	1	2	3	4	5	6	7	8	9	10	11	12	13
Lex	0	0	0	0	1	0	0	2	—	—	—	—	—
Mays	0	1	0	0	0	0	0	0	—	—	—	—	—

Batteries—Conover, Fahy and Freund; Newton and Kellner.

Hits—Lexington, 7; Maysville, 6.
Errors—Lexington, 2; Maysville, 2.

The following is the standing of the clubs in the Bluegrass League:

	Played	Won	Lost	P. C.
Lexington	11	9	2	.818
Maysville	10	6	4	.600
Paris	8	4	4	.500
Mr. Sterling	11	1	10	.091

The Marietta (O.) team shut out the Paris team Saturday afternoon. Score, 10 to 0.

With Nearly Forty Years

Of successful experience in the manufacture of Watch Movements and Watch Cases, and with the mechanical knowledge gained in the construction of special machinery and tools necessary for the manufacture of watches, we have reason to believe that no factory in the world is better able to produce a bicycle of superior design and workmanship. Our machinery is the finest and most modern in existence. Our workmen are trained to a greater degree of accuracy than is usually observed in any bicycle factory. Where is the bicycle factory that is capable of producing a machine made equal to a Dueber-Hampden Watch or machinery required to manufacture same?

These Bicycles, as well as a full line of the Dueber-Hampden Watches, can be seen at

BALLENGER'S.

Mr. R. deRoode, the well known teacher of Voice Culture and Artistic Piano Playing from Cincinnati, O., will be at the Central Hotel, Maysville, Ky., on Wednesday, August 28th, for one day only, to meet such persons as may desire his professional services for the ensuing year. Mr. deRoode can arrange to visit Maysville one day each week, provided a sufficient number of either Voice or Piano pupils can be secured, in which case his terms will be the same as in Cincinnati, viz.: \$1.50 for half-hour lessons, \$2.50 for one hour lessons.

City Taxes.

City taxes for 1896 are now due. Prompt payment will oblige the city.

THE RIPLEY FAIR.

It Will Be the Best Ever Held—Let Everybody Attend.

The Ripley Fair will be held this week.

This Fair has for the last few years grown in popularity among our people and it deservedly merits our patronage. The Managers have this year taken especial pains to please the people and at popular prices.

In addition to the great show of fine horses and the floral exhibit the management has arranged for special attractions which are sure to please the people.

Miss Bundy, America's great Cornetist, will be present and enliven the occasion with some of her choicest selections.

Prof. Davidson who is now acknowledged to be the World's Champion High Wire and Rope Walker, has been engaged at great expense to give exhibitions and show how easy it is to be at home on the high wire.

Excursion rates have been arranged at the rate of one fare for the round trip on the C. and O. Railroad and on the Steamer Silver Wave. Tickets will be on sale as early as Monday, August 24th, and good returning as late as Saturday, August 29th, so that all may attend at a very little expense, and if they desire can spend the week and see their friends, or if they prefer can come home each day and return for a trifle.

We believe, hope and trust that Maysville and Mason county will attend this Fair in such large numbers that the Board of Managers will understand that their efforts have been appreciated. Maysville having no Fair this year the people are free to turn out en masse to this Fair.

Catarrrh Cannot be Cured

with Local Applications, as they cannot reach the seat of the disease. Catarrrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.
